

FSPCA

PREVENTIVE CONTROLS FOR ANIMAL FOOD COURSE

Missouri Agribusiness Association

July 11 - 13, 2017

Food Safety Preventive Controls Alliance Joint Seminar on the Food Safety Modernization Act

ABOUT THIS COURSE:

This course, developed by FSPCA (Food Safety Preventive Controls Alliance), is the “standardized curriculum” recognized by FDA. Successfully completing this course is one way to acquire the designation of “preventive controls qualified individual,” or PCQI under rules of the Food Safety Modernization Act (FSMA). A certificate of completion will be given by the FSPCA at the conclusion of the course.

INSTRUCTORS:

David Fairfield, Senior Vice President of Feed Services,
National Grain and Feed Association

Matt Frederking, Vice President of Regulatory Affairs and
Quality, Mid America Pet Food

Funding for this statement, publication, press release, etc. was made possible, in part, by the Food and Drug Administration through grant 5U18FD005618. Views expressed in written materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does any mention of trade names, commercial practices, or organization imply endorsement by the United States Government.
